

UTI-Stat™ contains PROANTINOX®, a natural urinary tract cleansing complex

Natural, gentle, effective

- Aids in reducing symptomatic UTIs including urgency and frequency of urination when used in conjunction with hydration and a hygiene program
- Helps reduce adhesion of infection causing bacteria
- Contains FOS to stimulate the growth of beneficial bacteria and reduce the number of *E. coli*
- Helps maintain adequate urine acidity
- This product is not intended for use as an analgesic

All natural PROANTINOX® contains cranberry Proanthocyanidins (PAC) to inhibit adhesion of infection-causing *E. coli* bacteria to urinary tract walls, ascorbic acid (Vitamin C) to help maintain adequate urine acidity, and FOS (Fructo-oligosaccharides [Inulin]) to stimulate the growth of beneficial bacteria and reduce the number of *E. coli*.

UTI-Stat

UTI-Stat™

The power of 16 eight ounce glasses of cranberry juice cocktail in a one ounce serving.
